

## Beverage Menu

Southern Oaks provides a wide range of beverage and bar options for you and your guests. Choose from a host sponsored bar, cash bar, or a combination of both.

### Host Sponsored Bar

Our bartender will count the drinks served to you and your guests. The bar total must be secured prior to the event with an expectable credit card or check. The total will be charged to your approved account at the end of the night.

### Cash Bar

Our bartender will directly charge you and your guests per drink.

Bar consumption is based upon a minimum fee of \$250.00 per bar. If your event does not meet the minimum fee, you will be assessed a \$50.00 bar fee.

*Please Note: Effective November 2003, Southern Oaks is the only licensed authority to sell or serve alcoholic beverages for consumption at Southern Oaks House and Gardens. Therefore, guests are not allowed to bring alcoholic beverages on our premises.*
